Primary

Pupil Information Booklet

Hello everyone! We are looking forward to welcoming you back to school but need to let you know that things will look and be a little different here for a while. We have created this booklet to help explain to you some of the new rules we will have at St Brigid's. These new rules are here because of the coronavirus and, if we follow these rules as best we can, it will help us to stop the spread of coronavirus at school.

We know things will be tough, they will be strange, you might not get to see all your friends and do all the things you used to do in school, but it is very important that we all work together, try our best and use this time to see how we get on.

I am looking forward to seeing you back in school very soon!!
