

Subject Assessment Plan – A2 Unit 3

Mathematics

A2 Unit 3 – Pure Mathematics

Evidence collected already	Link to specification
2.3.2 Algebra and Functions	End of half term classroom assessments (based on WJEC past exam paper questions)
2.3.4 Sequences and Series (The Binomial Theorem)	End of half term classroom assessments (based on WJEC past exam paper questions)
2.3.5 Trigonometry	End of half term classroom assessments (based on WJEC past exam paper questions)
2.3.6 Differentiation	End of half term classroom assessments (based on WJEC past exam paper questions)
2.3.7 Integration	End of half term classroom assessments (based on WJEC past exam paper questions)
Evidence to be Collected	
2.3.4 Sequences and Series (Arithmetic & Geometric Progressions)	CDG Assessment
2.3.3 Coordinate geometry in the (x, y) plane	CDG Assessment
2.3.6 Differentiation (parametric functions)	CDG Assessment
Unit 3 CDG assessments	Partial papers or full papers in the style of WJEC recommended materials.
